## 5-1 / How to complete your application

### 1. Application procedures

### 2. How to complete online application

- When filling out the online application, the personal information(name, date of birth, and passport number) must match with those on the applicant's passport.
- Applicants must check their applying degree program, campus and department/major carefully by referring to the admission guideline.
- Applicants are allowed to apply for ONLY one department/major. Application to more than one department/major will be considered as "nonvalid."
- Even if you complete the online application, if all required documents are not submitted within the document submission period, you will be disqualified.
- Please complete the online application in advance since congestion is expected on the deadline. The online application is not available after 18:00 on the deadline(20th October, 2023) due to system closing.
- Personal information(passport information, E-mail address, contact number, etc.) of applicants provided when conducting online application will be used as basic data for the admission process, such as the announcement of admission result and issuing visa-related documents. Therefore, applicants must give accurate information when they do the online application. If there are any changes, applicants must notify OIA immediately.
- Note: Applicants are responsible for any disadvantages caused by loss of contact due to inaccurate information in their application or not checking information carefully.

### 3. Application fee: 70,000 KRW

- Students are required to pay application fee for online application. Without the payment, you can not complete the application.
- Note: Once the online application is completed and the application fee payment is completed, the application cannot be cancelled and the applied department and major cannot be changed. Moreover application fee is not refundable.

※ A full or a partial refund of the application fee may be possible only if you are unable to apply by the deadline in the following circumstances:

Reason	Refund amount
① Reasons attributable to the University	Full amount of application fee (The commission fee for online application will be deducted from the refund amount)
② Reasons due to natural disaster	
③ Reasons due to applicant's death or hospitalization by disease or accident	

※ Refund is only available with adequate proof in case of ②, ③.

※ Contact information in case of problems with online application and application fee payment : Uway Apply  
□ (Tel) 1588-8988, (Fax) 02-2102-2495 □ Customer Center : Check FAQs and apply for one-on-one consultation

[Prospective graduates] must submit their final academic Certificate by **February 26, 2024 (Monday)** through one of the 3 available submission methods as above.

\*Failure to submit the final academic credentials within the specified deadline will result in the cancellation of acceptance.

[For Applicants Who Already Hold a Degree] 1. Original English version of the graduation certificate or a translated and notarized original. 2. Apostille in original. 3. Original consular confirmation. 4. Original CHSI issued document.

- Applicants who provided the original English version of the graduation certificate or a translated and notarized original at the time of application MUST submit additional final academic certificates (choose one from 2, 3, or 4) after the announcement of successful applicants (submission period will be separately notified).

※ Even if the original Apostille, original consular confirmation, and original CHSI issued document were submitted during the application, if 3 months have passed since the issuance date of the standard admission permit, further submission may be required.

※ If the degree is obtained from a university or institution within Korea, the original graduation certificate (or degree conferment certificate) must be submitted.

※ Final academic Certification not written in Korean or English must be accompanied by an official Korean or English translation.

Note: Provisional Certificates issued by some countries will not be recognized as final academic certificates. Therefore, after confirming with the prospective graduating institution, the Apostille and consular confirmation for the final academic credentials must be submitted within the submission deadline (February 26, 2024).

※ [Reference] Definition of Apostille and how to get it

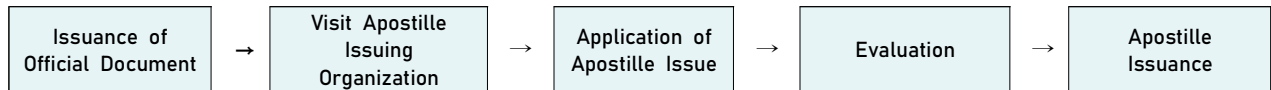

① What is Apostille?

- The Apostille\* is an official government issued certificate added to documents so they will be recognised in when presented in another country.

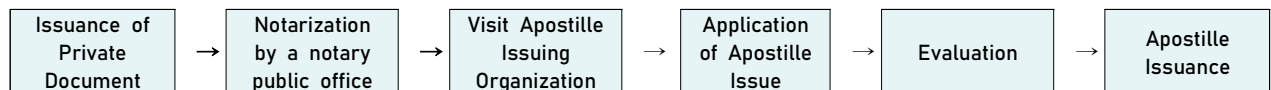

\* The Hague Convention Abolishing the Requirement of Legalization for Foreign Public Documents

② How to get Apostille

- Public Document (issued by national or public institutions)

- Private Document (issued by private institutions)

※ According to the notary act and the attorneys at law act of each country, procedure of Apostille issuance can be different. Please check with Apostille Issuance Organization in applicant's own country for the details.
