B. Important Notes for Online Application

1. Carefully check the degree program, campus and department/major you are applying for by referring to the admission guideline
2. Applicants are allowed to apply to ONLY one department/major. Applications to more than one department/major will be considered "invalid"
3. Complete your application in advance as high traffic is expected on the deadline. The online application will close at 18:00 on the day of the deadline, and applications will not be accepted after that time
4. Provide accurate personal information(passport details, email, phone number, etc.) during online submission, as this information will be used as basic data for the admission process. If any changes occur, applicants must notify OIA immediately. The applicant is responsible for any disadvantages resulting from incorrect or unreported information
5. Online application processing is not possible unless the application fee is paid
6. Once the application fee is paid, the application cannot be canceled and the applied department/major cannot be changed
7. Even if you complete the online application, you will be disqualified if all required documents are not submitted within the document submission period
8. Be sure to remember your application number for all subsequent procedures

C. Admission Criteria

Criteria	Language Proficiency	Academic Performance	Points in Total
Percentage(%)	50	50	100
Notes	"Language Proficiency" can include Korean or other languages • Comprehensive evaluation will be made based on previous academic performances(grade), language proficiency, knowledge about major, study plan etc., so as to be deemed as "successful" or "fail", Evaluation scores of reasons for rejection will not be announced • Interviews can be conducted depending on the needs of applying departments and Interviews can be carried out in various ways; face-to-face, online, telephone, etc ※ The department will contact applicants directly if there is an interview for applicants. Please contact the department you applied for to check whether they conduct an interview and interview schedule		

6 Important Notes

A. Applicant Responsibilities and Obligations

During the admission period, regularly check Office of International Affairs'(OIA) website announcements and email for updates and instructions. The applicant is responsible for any disadvantages(such as cancellation of acceptance) resulting from failure to check these updates

B. Notifications after Announcing Successful Applicants

• Acceptance will be cancelled if the applicant registers at two or more universities simultaneously
• If the applicant is found to have reasons for disqualification, such as fraudulent documents or proxy interviews, inadequate academic qualifications(e.g., being from an unaccredited institution) or visa rejection, acceptance may be revoked even after admission
• Follow all instructions outlined in the 'Notice For Newly Admitted Graduate Students.' Failure to comply with these instructions may result in the cancellation of acceptance
• Additional documents may be required after the admission period for visa issuance or changes

C. Interpretation of the Admission Guidelines

• These guidelines are available in Korean, English, and Chinese. In case of discrepancies in interpretation, the Korean version of the admission guideline will prevail
• Matters not specified in these guidelines will be decided by the university's graduate committee
