※ The above department only accepts applicants who meet the separate qualification required

## 4 Required Documents

### Important Notes of Document Submission

1. All application documents, forms, must be translated in **Korean or English**
2. Documents issued overseas must be submitted in the form of **notarization in original**. Documents in languages other than Korean or English must be accompanied by **a notarized translation in Korean or English**  
**\*Notarized documents must specify a date and must have been issued within the past 6 months; otherwise, they will not be accepted.**
3. Additional documents may be required for the qualification review in addition to the submitted documents. **Applicants must carefully review the admission guidelines**
  - If additional documents are not provided upon request, the application may be considered incomplete
  - Even if the online application is completed, applicants who do not submit the required documents by the deadline or who submit incomplete documents may be disqualified without further notice(Please note that applicants are responsible for any issues arising from the postal delivery process)
4. Submitted documents **cannot be returned**
  - All documents must be submitted **in the correct order as specified in the required documents list** and must be in **A4 size**
  - Submission of **original documents** is required: copies, scanned documents, and email submissions are not permitted
  - All the information\* of the applicant and their parents **must be consistent** with the identification card or passport
    - \*This Includes names(spelling), dates of birth, nationality, and identification or passport numbers, etc
    - In case of any discrepancy [in name/spelling], submit an affidavit stating that it is the same person.
    - \*\*For Uzbek nationals, the name on all documents must exactly match the English name on the international passport
5. For [FORM], you must use the official form from Chonnam National University(OIA) and complete it in Korean or English  
 How to download : Office of International Affairs website(CNU) → Admission → Graduate → Forms

### A. Application Fee KRW 70,000

Once the online application and payment are completed, the application fee is non-refundable, **except for the following cases**

| Reason                                                                     | Refund Amount                                                                                                              | Remarks                                                                 |
|----------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------|
| Reasons attributable to the University                                     | Full amount of application fee<br><b>The commission fee for online application will be deducted from the refund amount</b> | Refund is possible only upon submission of documents proving the reason |
| Reasons due to natural disaster                                            |                                                                                                                            |                                                                         |
| Reasons due to applicant's death or hospitalization by disease or accident |                                                                                                                            |                                                                         |

**Inquiries Regarding Online Application** Uway Apply

T 1588-8988 F +82-2-2102-2495

### B. Important Notes for Online Application

- Carefully check the degree program, campus and department/major you are applying for by referring to the admission guideline
- Applicants are allowed to apply to **ONLY** one department/major. Applications to more than one department/major will be considered "invalid"
- Complete your application in advance as high traffic is expected on the deadline. The online application will close at 18:00 on the day of the deadline, and applications will not be accepted after that time
- Provide accurate personal information(passport details, email, phone number, etc.) during online submission, as this information will be used as basic data for the admission process. If any changes occur, applicants must notify OIA immediately.** The applicant is responsible for any disadvantages resulting from incorrect or unreported information
- Online application processing is not possible unless the application fee is paid
- Once the application fee is paid, the application cannot be canceled and the applied department/major cannot be changed
- Even if you complete the online application, you will be disqualified if all required documents are not submitted within the document submission period
- Be sure to remember your application number for all subsequent procedures

## C. Admission Criteria

| Criteria      | Language Proficiency                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | Academic Performance | Points in Total |
|---------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------|-----------------|
| Percentage(%) | 50                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 50                   | 100             |
| Notes         | <p><b>“Language Proficiency” can include Korean or other languages</b></p> <ul style="list-style-type: none"> <li>• Comprehensive evaluation will be made based on previous academic performances(grade), language proficiency, knowledge about major, study plan etc., so as to be deemed as “successful” or “fail”, Evaluation scores of reasons for rejection will not be announced</li> <li>• Interviews can be conducted depending on the needs of applying departments and Interviews can be carried out in various ways; face-to-face, online, telephone, etc</li> </ul> <p>※ The department will contact applicants directly if there is an interview for applicants. Please contact the department you applied for to check whether they conduct an interview and interview schedule</p> |                      |                 |

## 6 Important Notes

### A. Applicant Responsibilities and Obligations

During the admission period, regularly check Office of International Affairs(OIA) website announcements and email for updates and instructions. The applicant is responsible for any disadvantages(such as cancellation of acceptance) resulting from failure to check these updates

### B. Notifications after Announcing Successful Applicants

- Acceptance will be cancelled if the applicant registers at two or more universities simultaneously
- If the applicant is found to have reasons for disqualification, such as fraudulent documents or proxy interviews, inadequate academic qualifications(e.g., being from an unaccredited institution) or visa rejection, acceptance may be revoked even after admission
- Follow all instructions outlined in the ‘Notice For Newly Admitted Graduate Students.’ Failure to comply with these instructions may result in the cancellation of acceptance
- Additional documents may be required after the admission period for visa issuance or changes

### C. Interpretation of the Admission Guidelines

- These guidelines are available in Korean, English, and Chinese. In case of discrepancies in interpretation, the Korean version of the admission guideline will prevail
- Matters not specified in these guidelines will be decided by the university’s graduate committee

## 7 Registration Fee

| Major Field        | Registration Fee | Major Field                 | Registration Fee | Major Field                         | Registration Fee |
|--------------------|------------------|-----------------------------|------------------|-------------------------------------|------------------|
| Engineering        | ₩3,327,000       | Humanities& Social Sciences | ₩2,502,000       | Medicine/Dentistry                  | ₩4,840,000       |
| Veterinary Science | ₩4,216,000       |                             |                  | Natural Science& Physical Education | ₩3,235,000       |
| Pharmacy           | ₩3,384,000       | Arts                        | ₩3,848,000       |                                     |                  |

※ This table is based on the 2026 academic year(Per semester). The amount listed are subject to change based on the annual tuition review results

※ Issues regarding the withdrawal of registration and tuition fee refunds after payment will be handled according to the “Rules on University Tuition” and the “School Regulations of Chonnam National University”

※ The final successful candidate must pay the tuition fee by the designated deadline. Failure to do so will result in the cancellation of the acceptance

## 8 Scholarships

| Scholarship                                   | Benefit                                                                | Selection Body            | Selection Criteria                                                                                                                                                                                                                                                              |

|                                                                                                                                                                                 |      | Studio type(1 double room for 2 person)                 | ₩696,000   |
| ※ For residents of dormitory 9, it is compulsory to choose a meal plan with at least one meal a day during weekdays<br>(Meals will be served at the cafeteria in the dormitory) |      |                                                         |            |
| Yeosu                                                                                                                                                                           | -    | APT Type(3 double rooms for 6 person)                   | ₩614,800   |

※ The above amount is based on the Fall Semester of 2026, and the dormitory fee for the Spring Semester of 2027 is subject to change

- Information about CNU dormitories : [international.jnu.ac.kr/Academic/Housing](http://international.jnu.ac.kr/Academic/Housing)
- International students are given priority for accommodation, except for individuals who have difficulties adapting to group life or specific medical conditions as per CNU dormitory regulations
- Successful applicants will be allowed to apply for CNU dormitory through the CNU dormitory website ([dormitory.jnu.ac.kr](http://dormitory.jnu.ac.kr))  
Note : Failure of dormitory fee payment before the payment deadline will result in automatic cancellation
- Please check notifications on the CNU dormitory website in order to find information on dormitory fee payment and use of dormitory
